## SAMPLE

### Wedding Reception Order of Events

This information sheet is intended to guide you through the entire timeline process. Please note all times indicated on this sheet are merely estimates and the exact timing of events at your Wedding Reception may vary based on many factors.

#### **COCKTAIL MUSIC (allow 15 - 45 minutes for all your guests to arrive)**

While the guests arrive, we are playing either a light, popular jazz or classical, or a light, rock-soul and oldies mix. We keep the music level low because we realize that your guests are spending this time talking with family and friends.

#### **BRIDAL PARTY INTRODUCTIONS (allow 10 minutes)**

About a month prior to your reception, you will have the opportunity to speak with our Events Manager to discuss the proper name pronunciation of your bridal party attendants, and the proper placement of these attendants within the order of introduction. Parents/Grandparents can be included in the introductions. Once the bridal party is at the head table the MC will ask everyone to rise and will officially announce the bride and groom as "Mr. & Mrs." as everyone cheers and applauds.

#### **FIRST DANCE (allow 5 minutes)**

The bride and groom select their first dance song prior to their wedding date. This song should be well thought out, and define something special about the two of you. We strongly recommend, the introduction moves directly into your first dance and it is in this case you should allow for more time. We recommend following this order of events as it guarantees your first dance takes place while you and your bridal party are still looking great!

#### **CAKE CUTTING (allow 5 to 10 minutes)**

This usually takes place after the Wedding Party Dance but we recommend cutting of the cake takes place following your first dance and before dinner. This ensures the opportunity for your guests to enjoy your cake before they get caught up in the fun of your wedding reception. It also allows the wait staff to cut and serve the cake directly after the meal has been served. We will make sure that the photographer and the bride and groom are ready, then we will make an announcement for people to gather around the cake. We usually play background music for the cake cutting.

#### **TOAST(S) (allow 5 to 10 minutes for these events)**

This is usually given by the best man and maid/matron of honor (can also be done during/after the meal). We will coordinate this with the caterers to make sure that everyone has a full glass.

#### **BLESSING & MEAL (allow anywhere from 60 minutes to several hours - details below)**

The MC will ask a guest (someone selected prior to the reception - minister, parents, friend, etc.) by name to say the blessing. A wireless microphone will be provided. Depending on the number of guests you have and depending on whether it is a sit-down or buffet please allow at least one hour for the meal. During the meal, we play a light, easy-to-talk-over music.

**PARENT DANCES (Father/Daughter & Mother/Son) (allow 5 to 10 minutes for these events)**

After the bride and groom have danced their first dance as husband and wife, they may want to dance with their parents. If these dances are occurring the bride will first dance with her father, and then the groom will follow by escorting his mother to the dance floor for their special dance together. At times there have been instances where someone else has danced in place of either parent.

**WEDDING PARTY DANCE (allow 5 minutes)**

Once the parent's dance has been completed, the bride and groom may want to have entire wedding party come to the dance floor for the wedding party dance. This dance can also take place during the bride and groom's first dance, where the bride and groom's first dance will be split 50/50, and the wedding party will be asked to join our bride and groom on the dance floor.

**OPEN DANCING**

After the cake cutting has been completed, we will invite everyone to join in on the dance floor. In the beginning of the reception, we usually play a lot of very upbeat popular music to get everyone involved in the dancing.

**BOUQUET & GARTER TOSS (allow 10 to 15 minutes)**

The MC will ask for the bride and groom to make their way to the dance floor for the Bouquet & Garter Toss. First, the groom will remove the garter and then we will invite single ladies to gather on the dance floor for the bouquet toss. After, the bouquet, it's the guy's turn with the garter toss. Afterwards, the photographer will ask the recipient's to take a picture with the bride and groom.

**MONEY/DOLLAR DANCE (allow 20 to 30 minutes)**

The basic premise is to allow gentlemen to dance with the new bride, and ladies to dance with the new groom, for a fee. This dance usually lasts anywhere from 3-5 songs (depending on number of guests). We suggest a bridesmaid and/or groomsman collect the money rather than trying to "pin" the money on the bride and groom. The DJ will generally select appropriate music.

**ADDITIONAL CELEBRATORY DANCE(S) (allow 5 minutes)**

As an option, you may wish to include special songs to celebrate certain guests' engagements, recent marriages, anniversaries, birthdays, new births or other important observances.

**BACK TO DANCING**

The MC will invite everyone back to the dance floor for more dancing. The music mix will continue to allow guests to celebrate and engage in romantic moments on the dance floor.

**LAST DANCE (allow 5 minutes)**

About five minutes before the reception ends, we will ask the bride and groom to make their way to the dance floor for their final dance.

**EXAMPLE OF A WEDDING RECEPTION TIMELINE**

This is a simple example of a Wedding Reception Timeline which will give you an idea as to the amount of time each event may take. Remember, this is only a sample and is not how you have organized your Wedding Reception. We are dedicated to making your Wedding, the most special day of your lives, and will be happy to accommodate any modifications you wish to make, to any part of this planner and order of events.

## Part V Music

The music played at your reception will help set the mood for the entire night. Your 7citiesVDJays Productions DJ is extremely knowledgeable and well rounded when it comes to music. Additionally, he has many years of experience in getting people on the dance floor and in making sure that all of your guests are happy and enjoying the music. While you are free to choose as much music as you'd like for your wedding reception, it is HIGHLY RECOMMENDED that you trust your DJ. At 7citiesVDJays Productions, you've hired a professional, experienced wedding DJ that is an expert at keeping the party going. It is almost impossible to tell in advance what songs your guests will dance to. For example, just because "Footloose" was a blast at your friend's wedding, doesn't guarantee it will go over big at yours. Therefore, we strongly suggest you allow your DJ to mix some of your suggestions, with your guest's requests and other selections to create a fun-filled night that is uniquely yours and that all of your guests will enjoy.

### Style of music to be played during cocktail hour

---

*FYI: Most couples opt for a mix of Jazz, Crooners (Frank Sinatra, Tony Bennet, etc), Blues, etc.*

### Style of music to be played during dinner

---

*FYI: Smooth Jazz without vocals works best, because it allows guests to have dinner conversation without having to strain to hear one another.*

### Are there any songs that you DO NOT want played?

*FYI: When choosing songs you DO NOT want played, try not to choose songs that are hugely popular. Certain "wedding songs" are popular because people love to dance to them.*
